Technical Skills

Languages and Databases : HTML, CSS, JavaScript, React.js

Developer Tools : VS Code, Git, GitHub, Chrome DevTools,Vite, Redux Toolkit

Frameworks: Bootstrap, Tailwind CSS, Meterial Ui

Additional Skills Responsive Web Design, Agile Methodology

Experience

Oasis Infobyte **Sep, 2024 – Nov,2024**

Web Development intern , Virtual

- Assisted in developing and maintaining responsive websites using **HTML**, **CSS**, **JavaScript**, and **React.js**.
- Collaborated with design and backend teams to integrate APIs and dynamic content.
- Optimized website performance, improving load by efficient coding and asset management.
- Implemented mobile-first, cross-browser compatible designs using frameworks like **Tailwind CSS** and **Bootstrap**.
- Participated in daily stand-ups and code reviews, gaining hands-on experience with **Agile development practices**.
- Utilized **Git** and **GitHub** for version control and collaboration on multiple team projects.

Projects

React Projects

Social Networking App – March 2025
Tech Stack: React.js • Tailwind CSS

- **Developed a mobile-first social networking platform allowing users to create profiles, connect with others, and exchange messages in real time.**
- **Built frontend interfaces using React.js focusing on responsive design and smooth user experience.**
- **Implemented authentication systems (signup/login) on the frontend.**

Food Ordering App – November 2024
Tech Stack: React.js • React Router • Tailwind CSS • Redux

- **Developed a fully responsive food ordering web application with React.js for frontend and Redux for global state management.**
- **Implemented features like browsing restaurants, viewing detailed menus, adding/removing items from the cart, and managing orders.**
- **Used Redux to handle cart state, user authentication state, and orders across components.**
- **Built dynamic routing between pages (Home, Restaurant, Cart, Checkout) using React Router.**
- **Designed a clean, mobile-first UI using Tailwind CSS with reusable React components and modular folder architecture.**

Personal Portfolio Website – March 2025
Tech Stack: React.js • React Router • Tailwind CSS • Framer Motion

- **Designed and developed a fully responsive personal portfolio to showcase projects, skills, and experience.**
- **Created sections including About Me, Projects, Skills, Contact, and a downloadable Resume link.**
- **Implemented React Router for smooth navigation between sections/pages.**
- **Applied Tailwind CSS and Framer Motion for modern, mobile-first UI design and animations.**

Education

Gita Autonomous College **Nov 2022 – Aug 2024**
Master of Computer Application *Bhubaneswar, Odisha*

Sri Ganesh Resident College **April 2018 – July 2021**
Bachelor of Science *Astaranga, Odisha*

Mahatma Gandhi Junior College **May 2016 – March 2018**
+2 Science *Astaranga, Odisha*
